

TRANSFORMATION EXCELLENCE supports clients to improve their value chains and enables them to face the digitalization. Specialized in retail, apparel & footwear, automotive and logistics we provide an innovative approach to a successful transformation of enterprises into a long-lasting, relevant and customer centric organization.

To continue our successful growth, we are looking for candidates with the right competencies for our team.

SENIOR CONSULTANT (m/f/d)

Locations: Duesseldorf - Munich | Start: now

Your tasks:

- Managing of subprojects up to management of entire projects including budget responsibility
- Advising and supporting customers in reviewing and optimization of their business processes
- Analysis of data and KPI measurement
- Identify weak spots as well as potentials and derive recommendations
- Accompaniment of customers through intensive change management processes

Our expectations:

- Successfully completed master's degree, ideally in business administration/economics, business information technology or business engineering
- 3 - 5 years of professional experience in the retail or industry sector ideally as a consultant
- Strong analytical, methodological and communicative skills
- Personal responsibility, result-driven and creative mindset in thinking, motivation and empathy
- Flexibility with high willingness to travel
- Negotiable German & English language skills, both written and spoken

Our offer:

- Challenging projects around digital transformation for well-known international clients
- Team spirit with flat hierarchies, trusting cooperation and open feedback culture
- Individual and flexible working models
- Individual onboarding and training program with clear career prospects
